## Map.

Best map is Multimap with post code DL37LL and scale 1:10000 but not very good. Recommended route to first pub, use side exit from station, down steps on Platform 4(northbound). They are just outside the "PUMPKIN CAFE". Take the road downhill (Victoria Road) ..Walk down left hand side of road. Straight on at first roundabout, cross road and turn right just before next roundabout (opposite GRANGE ROAD BAPTIST CHURCH) into Grange Road. At next junction turn left into Coniscliffe Road for first pub, or straight on into Skinnergate for Tanners Hall. For the Britannia, continue along Skinnergate to the end. Cross the road , turn left and under the subway.
