

# Jolly Boys Outing to Macclesfield - Thursday 5<sup>th</sup>. January 2006

Reconnaissance trip took place yesterday. Found a few new pubs.

## Itinerary

1. Society Rooms (Weatherspoons) - Park Green, SK11 7NA (01625 506320)  
Beers about 4 Real Ales including Storm Real Ale. About 7 pumps out of use.  
Breakfast for those who want it. 1000-1100 or 1130.
2. Jar Bar - Park Green, SK11 7NA.  
Not a pub but a Café/Restaurant. It is Cask Marqued and sells Holt Bitter (£2) and Jeckyls Gold. Beer is good, I tried it. Opposite number 1. If you don't fancy it we can stay at 1 - but pub 3 doesn't open until 1130.
3. The Prince of Wales, 33 Roe Street, SK11 6UT (01625 424796).  
Especially for Alan Wright. It has a fisherman's corner and an aquarium in the gents. Had 5 Real Ales on when I visited, I tried Elgood's Pageant (£2.10) 1130-1230
4. Water Green Tavern, Water Green. Usually has 7/8 Real Ales. Bradfield Farmer's Blonde £1.95. Food available. 1235 - 1330 or later if required.
5. The Queens, Albert Street (opposite the station) about 3 minutes walk from 4.  
This should be the first pub you see as you come of the station. Holts Bitter (£1.65). Quiet an extensive menu is available. From ? - ?

## Trains (These are to the new timetable and should be correct for the day)
