

## Jolly Boys Outing - Cambridge 1<sup>st</sup>. February 2007

Words and Music - Keith Adler.

Do you know it is nearly 7 years since the last Jolly Boys official outing to Cambridge 23<sup>rd</sup>. March 2000. The Pub Next Door Syndrome (aka Doncaster) this aint. Its difficult to believe this tour is not training activity for the 2012 Olympics. (Oh yes it is - BG)
