

Jolly Boys on Tour in Lincoln 13/09/07

2003 ✓

Lincoln is very hilly and pubs 1 & 2 are at the top. There is however a 'Walk & Ride' bus which does a circuit and can be caught opposite the station (details on the map). You will need to alight at Westgate for pubs 1 & 2, Most of the culture is in this area (castle & cathedral).

It is all down hill to 3 & 4, and quite a pleasant walk, or you can catch the bus back to the station.

Food is available at all pubs..
