The Itinerary :-

Made up from GBG 2007 and MS Autoroute. No time for a reccy due to repainting sleigh, feeding reindeer and climbing in and out of chimneys etc.

There are two Wetherspoons in Poole but we will start at the one on the Quay because it sounds like a more interesting location. Pubs **a** and **b** are included as back up in case any others are shut or rubbish.

Lunchtime food is allegedly only available in pubs 2, 5, a and b but we shall have to see.

See next page for pub descriptions :-
