

Jolly Boys Outing to Sheffield - 26th. April 2007

Escafeld/Scafeld: Roger De Bully. Industrial City, a centre of the steel industry since the 14th. Century. The Cutlers' Company was founded here in 1624, and the first Bessemer Steel works was built in 1859. There is a historic hill fort at nearby Wincobank. Mary, Queen of Scots was imprisoned at Sheffield Manor; University - the Domesday Book 2002.

Sheffield has always had a great brewing tradition. One hundred years ago there were thirty breweries in the City, a city which had only about half of today's population. This tradition is kept alive today by the microbreweries which include Abbeydale, Crown, Port Mahon and Kelham Island. Tram day ticket £2.70 - well it was when we went.
