Jolly Boys Outing to Bath
(Aqua Sulis)
14th February 2008

On this visit we will again pass some of Bath's famous landmarks such as the Roman Baths, the Abbey and Poultney Bridge and Weir, and the modern addition; the Thermae Bath Spa. Unfortunately to view other well-known Georgian architecture such as that in The Circus and The Royal Crescent, as seen in many period dramas, would take us well off course and subsequently, would require an unacceptable sacrifice of drinking time!
