### The Itinerary :-

There are two Wetherspoons in Poole. For those in time, muster will be at the "Lord Wimborne". For those who were blown off course last year, to get to the "Wimborne", leave Poole station from the down platform and walk under the flyover turning right to follow the side of the flyover. Then turn left along North St and cross the High St into Lagland St for the pub. The Quay is included as a Wetherspoons stand-by. Most pubs do food apart from the Brewhouse, but the Angel is probably the best bet unless you want seafood from a Quayside pub.

See next page for pub descriptions :-
