

WE ARE THE CHAMPIONS

WELCOME TO BRIGHTON THURSDAY, 9th JUNE 2011

Welcome to Brighton, now home of one of the Championships League's favourite football teams. Why not visit our new American Express Community Stadium before some away team supporters wreck it..

Today's visit will encompass old sites and new sites but no pie shop (special request of one G Steptoe who doesn't want to walk to far) Be warned, as before, money is no object to our landlords today, if you have got it in your pocket you are fair game, average prices about £3 - 30p a pint

We have a new Wetherspoon's in North Street, the Post & Telegraph but having paid a visit I was not over impressed dearer than normal and a poor range of beers, this coupled with the walking distant from the station has resulted in me excluding same from our itinerary. Marked on plan for those who might want it. I suggest you eat breakfast on the hoof.

We meet at Brighton station for an 11-10 departure. Distance to No 1 about 850 yds. Late comers, out station main entrance, down Queens Road and look for steps
