

Jolly Boys Trip to Leicester 29th November 2012

History

Leicester has lots of history but nothing very exciting (see Wikipedia if really interested). The most interesting recent event is the (possible) finding of the bones of Richard III under a council car park.

The Tour

All pubs (except the Weatherspoons) are in the 2013 Good Beer Guide.

To get to The Last Plantagenet (Weatherspoons) turn right out of station, go 50 yards and cross the main road to the pedestrianised Granby Street. Pub is 100 yards on left up there.
