

## **Jolly Boys on Tour of Grantham 22/10/15**

According to the local CAMRA info, Grantham looked as if a tour would be easy to arrange, however taking in the best pubs and having food available proved a little tricky. Peter and I came up with the following compromise; all the pubs are within easy walking distance. The station to No 1 is about 5 minutes, I would allow 10 minutes from No 5 to the station.
