

Jolly Boys' Trip to Bath **18th February 2016.**

Our last visit to Bath was just two year's ago, almost to the day. 'Tempus Fugit!' Very little has changed and whilst various alternative pubs/routes have been explored, no practical solution has been found to beat revisiting some old favourites.

Typically Pub opening times have dictated the route chosen and, as usual, we start at the King of Wessex for breakfast, which is still the only Wetherspoon in the City. (Evidently named after Edgar, the first King of Wessex whose Coronation took place in Bath in 973 AD.).
