

Jolly Boys Christmas gathering

2 December 2021

This years gathering to celebrate the Festive Season will take place in Merstham, Surrey being held mainly in the Merstham Village Club. As the club doesn't open until 1200hrs, their licence is from then, we can meet up in the Feathers pub, just across the road, from 1100hrs. For the really early birds there is the Quality Café for a breakfast if required.

The pub does sell some decent ales, which change regularly so can't give any details about those.

The Village Club is mentioned by Camra as a place which is good for Real Ale and has Harveys as the standard as well as two other Real Ales. It was indicated we could request a special so I will look into this nearer the time.

It is necessary to know numbers for catering purposes as well as any dietary requirements. I can guarantee there will be no Rollmops!! I need numbers by the 5 November so that I can confirm them with the caterers. Please liaise with Brian Gardener.

There is a good train service from London Bridge and London Victoria and Farringdon as well as from Reading, changing at Redhill, and the South Coast, changing at Gatwick.
