

An additional trip to Cheam – no pubs open before 12.00.

A day in The Railway – no food served, BUT a grand selection of local ales – Dorking, Godstone, Long Man etc varying week by week.

Cheam Village Bakers just along Station Way on the other side of the road serves filled rolls, sausage rolls pastries etc which are very good.

Natasha, the manager at The Railway welcomes guests bringing in food, and for this occasion has offered to lend us her dustpan and brush to sweep up the crumbs.

When leaving the train, cross under the subway and out of the exit. Walk down Station Approach and The Railway is immediately in front of you, as per the attached picture.
