

Jollyboys Christmas Lunch
Woking Railway Athletic Club
Thursday December 5th 2024.

At great expense we have secured the facilities which we last used in 2014.

For those who have never been there before it is a 5 minute walk from Woking Station, all downhill. Come out of the exit for the town centre on the Up side. Turn left and walk down the pavement in front of the "shops" to the traffic lights and cross at the crossing. As you walk down you can actually see Woking Railway Athletic Club on the gable end over the estate agents office in front.

Continue in a straight line from High Street into Goldsworth Road; on the left there is a brick built office block; currently surrounded by green hoarding. At the far end of the hoarding there is a passage through into the back yard. The entrance door to the club is at the right hand end.

When I visited to make the booking I had to ring on the bell to be allowed in, I was assured on the day the door will be on the latch.

Times: the club opens at 10:30 and I said we would likely be more like 11:00 +. Leave when you like.

Drinks: They had two interesting beers when I visited from independent brewers. They could not say what would be available on the day. I shall not be operating a kitty on the day.

Food: The food would be available at 13:00. They are catering for 25 so if there are more than my estimate of 20 the price would go down. Cost £15.

As an aside the manager said you don't need to eat for days in advance, therefore I recommend that you bring your own doggiebags.
